

With the health concerns amid COVID-19, Cafe Monarch is here to assure you that the health and safety of our community is our top priority. We are very excited to resume dine-in service but we are also taking necessary precautions that we would like to share.

- Enforce hand washing, covering coughs and sneezes.
- Ensure adequate supplies to support healthy hygiene practices for both employees and customers including soap, hand sanitizer packets with at least 60 percent alcohol on every table
- Intensify cleaning, disinfection and ventilation practices.
- Wash, rinse, and sanitize food contact surfaces, food preparation surfaces, and beverage equipment
- One-time use dinner menus.
- Face coverings for all employees
- Any employee with flu-like symptoms will be sent home.
- Tables will be at least 6 feet apart.
- Sterilized single-use table top linens for every table
- Check and log our employees' temperatures with a no-contact infrared thermometer at the start of every shift.
